Dear Resident

Access for emergency vehicles for Party in the Park - 15 July

The Party in the Park event is happening this weekend. To ensure that the Recreation Ground can easily be accessed by emergency vehicles, in the unlikely event they are needed, we are requesting residents use their driveways to park if at all possible, rather than the road.

There will also be several large vehicles coming and going during the weekend.

Please note that the car park at the Recreation Ground will be allocated for Blue Badge Holders during the event, and stallholders will park on the field. We are encouraging all attendees to come on foot and leave their cars at home and will put "residents only" signs at the end of the road to help reduce parking issues.

Your assistance in keeping the park and road accessible would be greatly appreciated and we hope you will come along and enjoy the community event.

Yours faithfully

PIP ORGANISING COMMITTEE
